Mayor Faulconer's Statement on Local Plastic Bag Ordinance

San Diego, CA – Today Mayor Kevin L. Faulconer released the following statement on San Diego's proposed plastic bag ordinance:

“San Diegans treasure our natural resources, which is why I’ve made protecting our environment a top priority by releasing a forward-thinking Climate Action Plan and advancing the innovative Pure Water program. Immediately after the referendum on the statewide plastic bag bill qualified for the ballot and halted the implementation of new regulations, I directed City staff to resume with the environmental review of San Diego’s proposed plastic bag ordinance for consideration by the public and the City Council.”
